Tumkúr District
Deputy Commissioner's Office
Tumkúr 9th June 1893—.

To,

The Secretary to the
Government of Mysore
Muzrai department.

Sir,

In the town of Koratigéré of this District there is a person called Samba-Sastri. He is well versed in Veda and in some Shastras. He has three sons a daughter-in-law, a daughter and a son-in-law. Altogether there are seven in the family. Two of the sons and the daughter are blind. The first son, his wife and the son-in-law are all right. He having appealed to you for some help out of the Muzrai funds to his three blind children, who are unable to earn for themselves, you, in your Endorsement No: 673 of the 30th ult.

1893, informed him that he should in the first instance represent his case to me. Accordingly, when on the 29th Ultimo I had been to Koratigéré, he produced your Endorsement before me and urged his case. I have had enquiries made about him. He has got a small house at Koratigéré and some landed property in the vicinity, yielding about 36 Rupees annually. He also gets 6 Rupees per month from the Palace as a Vidvamsa (or a learned man). Thus, his monthly income is 9 Rupees. Out of this he has to support seven Souls. It is needless to state that this is not sufficient. Therefore his prayer for some help to his blind Children seems to be worthy of kind consideration —. His blind daughter Gowramma is married to a person in the Sira Taluk, whose circumstances

are

are also very much straitened. There is a Government feeding Chattram at Sira. An allowance of half a seer of rice per day with condiments from that Chattram to that woman may perhaps be sanctioned. She is probably a better object of charity than the strong Bhyragis who get "Sadavard" from Chattrams. The two blind sons may perhaps be given some allowance from the "Sultan's fund", which, I am given to understand, is established at Mysore for helping such infirm persons who are unable to help themselves.

I have the honor to be,

Sir,

Your most obedient Servant

Govt: order No: 929 Dt 22nd June 1893.

No. 296 Tumkúr District

To,

The Secretary to the Government
of Mysore —. Muzrai Department

Sir,

In Government order No. 929 of the 22nd June 1893 the grant of ½ a Seer of rice per day with condiments from the Govern=ment Chattrum at Sira to Gowramma ~~daughter~~ daughter of Samba Sastree of Korati=géré has been sanctioned on the ground that that individual is blind. The father now requests that instead of condiments ½ a Seer of rice may be given as it is somewhat difficult to measure or weigh out the different articles of Con=diments. As the price of the Condi=ments will be nearly the same as the price of the rice wanted the request may, I think, be granted and one Seer of rice per day issued instead of ½ a Seer of rice and Condiments.

Sanctioned as per G.O. 5/10/93

As regards the two blind children mentioned by the Committee attached to the Chattrum at Sira I am unable to give any opinion as such cases do not come before me at Tumkúr but at Mysore.

2. In the letter upon which the order of Government above referred to was passed the case of the other two blind

Children

children of the said Samba Sastri was urged, but no reply was vouchsafed. In it it was recommended that they may be kindly granted some allowance from the Sulthan Funds established at Mysore for the behoof of such infirm persons who are incapable of earning for themselves. As Samba Sastri again begged for favorable orders in the matter when I had been to Koratagéré the other day I have ventured to invite attention to it.

Sir,

Sambasastru, a resident of Kortegere in this Distrct having applied to you for some help to his blind Children (Viz 2 Sons and a daughter,) and you having referred him to me I detailed his case, whereon the Government ~~was~~ were pleased to order that ree dole might be given to one of the blind children (Viz daughter) from the Government feeding Chattram at Sira The other two blind children have not been favored with any help As they are blind they cannot earn their livelihood and it is enough if their father Sambasastru can find food for himself If he dies the fate of his blind boys will be hopeless Therefore their praye

for

for help seems reasonable. There is an order of the Muzroy Department that persons unable to work for themselves may be helped in the Government feeding Chattrams I, therefore, recommend that the blind sons of Sambasastri may be allowed a seer of rice per day and condiments from the Government feeding Chattram at Tirukkoyilur as that is the nearest Government feeding institution to their place of residence, and as one Subbabatta who was receiving similar allowance from it died a short time ago I beg you to be good enough to submit the matter to Government and obtain their orders

Deputy Commissioner's Office

Jaffna 19th October 1894

To The Secretary to the
Government of Ceylon
Mayoral Department

Sir

With reference to your Docket
No 104
Mayoral 30-93 of the 17th September 1894 stating
that although the two blind sons
of Sinnawadday of Koratagéré are
deserving objects of Charity (being un-
able to work for themselves) still they
cannot be granted any allowance
from the Feeding Chattram at Jaffna
as they do not reside there but live
in Koratagere, I respectfully beg the
leave of His Excellency to press the
case for reconsideration.

The reasonableness of the prayer
of the petition having been admitted,
I am unwilling to refuse assistance

simply because the objects of Charity &c
are not residing at Jamkhir but at a
distance of 16 miles from it. To compel
them to, come to Jamkhir will result
in additional hardship to them as
they will have to find a fresh place
of residence there.

3 As Subbabhatta, who was &c
receiving one seer of rice per day
with Condiments from the Jamkhir
Chattram, has died there is room
to provide for the blind persons now
in question. In para 3 of Government
Order No. 3427-34 / Cir 103 of the 8th August 1888
permission has been given to aid
persons suffering from blindness,
lameness &c. from the funds of the
Government feeding Chattrams, and
in the same para, the question
as to whether a person seeking aid

from a Chattram should be required
to attend the Chattram to be fed, is
left to the discretion of the Deputy
Commissioners. In Exercise of this
discretion I humbly opine that it
is not necessary to require the two
blind persons in question to attend
the Chattram whence they seek aid,
as so doing will instead of alleviating
their distress enhance it.

4 I may, under the above order,
grant the aid sought, but it has
been ruled in a subsequent Govern-
ment Order No 23-32/cor/1 of the 13th
April 1892 that on no account new
names should be added to the
lists of Kinedars without the orders
of Government in the Mozarai Dept
Department

5 As the necessity of the

case has been admitted on your Docket under reply and the residence test has been waived by me under the authority vested in me I beg that the ipsue of the dole prayed for may be Kindly sanctioned. I would not have pressed the matter so much if it were not a case of real hardship.

Sir,

I have the honor to request that I may be favoured with your instructions as to whether the allowance of one Seer of rice per diem made to each of the two blind Sons and a blind daughter of Saiba a Sasby of Kortagere from the Chattram Jasdik of the Government Chattrams at Tumkur and Sira is to be stopped when funds are to be accumulated for the repair of these Chattram buildings. The allowance in question is of a charitable nature granted to blinde- persons and it seems to me that the necessity for the accumulation of funds for the repair of the buildings has no connection with the charity which is evidently intended to be for life without intermission. In this view of the matter, on the representation of the

His letter No 559 dated 11th January 1900 enquiring whether the rice allowances sanctioned to the two blind sons and a blind daughter of one Samba Sastry of Konadagere from the Inam rasi annachattrams at Sora and Tanjore are to be continued to them or not during the period of the temporary stoppage of feeding in both these chattrams in order to accumulate sufficient funds for the repairs of the chattram buildings.

Has the honor to state
that ~~the Mehtari allowances granted from a Chattram should, as a general rule, be discontinued~~ whenever
the feeding in a Chattram
is temporarily stopped for
accumulating funds
for the repairs of the Sastra
the Mehtari allowances should
also, as a general rule be
suspended until the feeding
is revived. But as in the
present case the persons referred to in
~~mentioned by~~ the Accountant letter
are affected with blindness
and ~~have~~ are ~~also~~ otherwise

granted to them may however
be continued, as a special
case, even during the period
of the temporary stoppage
of feedings in the Chattrams
concerned.
